

## **Job Description for IB PYP Homeroom Teacher**

We are seeking a highly motivated and talented IB PYP HomeRoom Teacher (HRT) to join one of the reputed institutions in Bangalore, "Amrita International Vidyalayam."

**Qualification:** Bachelor's Degree in Arts or in specific areas related.

### **Core Responsibilities:**

- Facilitate students using five elements of PYP- knowledge, concepts, skills, attitudes, and action.
- Pivotal in the transformative experience for students, teachers and whole school communities.
- Facilitate collaboration to deepen student - learning, and the whole school community, including parents, actively contribute to a holistic educational experience.

### **Personal traits as educator:**

- Ability to communicate with understanding and effectiveness to have a positive impact on others.
- Be culturally aware of our core values of Lifelong learning, Empathy, Self-less service, Self-regulation and respect.
- Encourage development of self and others, to achieve and go beyond the IB and school mission.
- Implement the IB's strategic plan to meet the medium and long term needs, mission and values of the school.

### **Day to day Responsibilities:**

- Facilitative learning by planning and developing courses according to school curriculum guidelines and school requirements.

- Customize to differentiate lessons to cater to the Learner's styles and needs dependent on his academic ability and previous achievement.
- Develop and implement lesson plans by using a variety of teaching strategies and routines.
- Planning, assisting in the indoor and outdoor activities to provide a positive, creative and stimulating context for learning and teaching.
- Preparation of resources, materials to support delivery of the curriculum and learning objectives.
- Observe, measure and assess students on-going progress. Prepare assignments and tests for evaluation of learners.
- Develop sound disciplinary practices and child safety standards in the classrooms, on school campus, while on bus, field trips, and other similar vigilance situations.
- Maintain a safe, secure, and healthy educational environment on campus and on field trips. Communicate with parents about the learner's progress.
- Maintain records of academic performance, attendance, and participation; anecdotal records on instances of student development at parent-teacher conferences.
- These meetings could be scheduled or as-needed. Attend Development training, faculty meetings; participating in educational opportunities, PDs, recommended & supported by school; reading professional publications; maintaining personal networks; and participating in professional organizations.
