

Job Overview: MYP Science Teacher

We are seeking a passionate and experienced MYP Science teacher to join our innovative team. The ideal candidate will have a proven track record of teaching all three branches of Science—Biology, Chemistry, and Physics—and experience with IB, IGCSE, or Cambridge curricula will be preferred. We'd like to hear from you if you are dedicated to fostering curiosity, critical thinking, and academic excellence through inquiry-based, student-centered learning!

Key Responsibilities

Teaching & Learning

- Deliver engaging and inclusive lessons aligned with the MYP framework to provide a comprehensive understanding of Science.
- Differentiate instruction to meet the diverse needs of learners, ensuring active participation and academic success.
- Integrate technology and innovative teaching strategies to enhance the classroom experience.
- Foster critical thinking, creativity, and global awareness in students.

Assessment & Reporting

- Design and conduct formative and summative assessments adhering to MYP standards.
- Provide timely, constructive feedback to support students' academic growth.
- Maintain accurate records of student progress and prepare detailed reports for parents and school leadership.

Collaboration & Communication

- Collaborate with fellow MYP teachers to ensure an integrated and cohesive curriculum.
- Participate actively in professional development programs and IB training sessions.
- Maintain consistent communication with parents regarding student progress and achievements.
- Engage in school-wide initiatives, meetings, and extracurricular activities.

Student Support & Pastoral Care

- Cultivate an inclusive, respectful, and positive classroom environment.
 - Mentor and guide students, supporting their social, emotional, and academic development.
 - Encourage students to become responsible, reflective, and active learners.
-

Educational Qualifications

- Master's degree in a relevant Science discipline (e.g., Biology, Chemistry, Physics).
- Certification or training in IB MYP, or a willingness to undergo IB MYP certification.

- Professional teaching qualifications or equivalent.
-

Experience

- Minimum 2 years of teaching experience, preferably in the IB, IGCSE, or Cambridge curriculum for grades 6–8.
 - Proven expertise in delivering inquiry-based, student-centered lessons.
 - Familiarity with the MYP framework and assessment criteria (preferred but not mandatory).
-

Skills & Competencies

- Strong knowledge of IB MYP, IGCSE, or Cambridge curricula (preferred)
 - Excellent communication and interpersonal skills to build positive relationships with students, parents, and colleagues.
 - Proficiency in differentiating instruction to cater to diverse learning needs.
 - Competence in utilizing educational technologies and digital tools to enhance learning.
 - Effective organizational, time-management, and assessment capabilities.
-

Personal Attributes

- Enthusiastic about teaching and dedicated to fostering student growth.
 - Thrive in a collaborative and multicultural environment.
 - Commitment to continuous professional learning and development.
-

If you're passionate about empowering young minds and shaping global citizens, join us in creating a vibrant and dynamic learning environment!
